RE: Scope determination on antidumping duty order on aluminum extrusions from the People's Republic of China (A-570-967).

1. On 04/02/2015, in response to a request by All Points Industries Inc. ("All Points"), Commerce issued a final scope determination that cleats which All Points imports, are within the scope of the antidumping duty order on aluminum extrusions from the People's Republic of China (A-570-967).
2. Because the cleats are single-piece aluminum extrusions without accessories, attachments, fasteners, or other non-extruded parts of aluminum or any other material, they match the physical description of subject merchandise. Thus, Commerce found this product to be within the scope of the order.
3. Continue to suspend liquidation of entries of aluminum extrusions from the People's Republic of China, including cleats imported by All Points as described above, subject to the antidumping duty order on aluminum extrusions from the People's Republic of China.
4. If there are any questions by the importing public regarding this message, please contact the Call Center for the Office of AD/CVD Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce at (202) 482-0984. CBP ports should submit their inquiries through authorized CBP channels only. (This message was generated by O3:PS.)
5. There are no restrictions on the release of this information.
